Swissmiss is a design blog and studio run by Tina Roth Eisenberg, a 'swiss designer gone NYC'. **Contact me** if you have a design project, a link suggestion or just want to say hello.

Arial versus Helvetica

Here's a nifty little graphic showing the difference between Arial and Helvetica

This will definitely help me explain type differences to all the non-designers in my life. Love!

as if they would understand... I find that I am surrounded by typography-illiterate people....

"noooo we do not squish the text to fit in the page, nooo"

Give 'em Helvetica, Harry.
